Program Facts

- Birdies for Charity® is a non-profit, tax-exempt 501(c)3 corporation established in the state of Iowa.
- The Corporation was formed for the purpose of licensing the Birdies for Charity® program to interested tournaments on the PGA TOUR, PGA TOUR Champions, Korn Ferry TOUR and LPGA TOUR, to establish rules and regulations to be followed by licensees and to oversee compliance.
- Birdies for Charity® is a registered trademark of Birdies for Charity, Inc. and unauthorized use of the name and/or logo is strictly forbidden.
- The Corporation has no direct affiliation with the PGA TOUR Champions, the sanctioning body of professional golf tournaments on the “regular PGA TOUR, the PGA TOUR Champions and the Korn Ferry TOUR or the LPGA TOUR.”
- Participating tournaments enter a licensing agreement with the Corporation and agree to abide by the specific rules established for the Birdies for Charity® program.
- The Corporation has no direct involvement in the Birdies for Charity® program launched by a tournament. They do not fund the program on a local basis, nor do they share in the proceeds raised by the sponsoring organization or participating charities.
- A nominal licensing fee is paid by the sponsoring organization – in this case, Rapiscan Systems Classic, to have the right to conduct a Birdies for Charity® program.

Program Summary

Birdies for Charity® is a multi-level fundraising program designed to give participating charities the opportunity to generate contributions for their organization based on the number of “birdies” made by PGA TOUR Champions players during the Rapiscan Systems Classic (Fri – Sun).

The program has three primary components:

- Solicitation of pledges from individuals and/or corporations
 - “Guess the Birdies” contest
 - Bonus Bucks and Matching Funds
- Participating charities will solicit pledges of three (3) cents or more from the general public and/or corporate donors for every “birdie” made or donors can make a flat donation of \$10 or more.
 - In golf, a “birdie” is a score of one stroke better than “par” for any golf hole on the golf course. “Par” is the normal expected score of a golf professional on any given hole.
 - It is expected that 700-800 birdies will be made by the PGA TOUR Champions professionals (Fri – Sun) of the tournament.

Pledge Solicitation

- Each participating charity has the opportunity to solicit pledges from individuals and/or corporations. Rapiscan Systems Classic will not solicit pledges for any participating charity.
- The following example shows how the value of a single pledge is calculated:
 - Individual Pledge \$.03 per birdie x 750 birdies = \$22.50 pledge
 - Corporate Pledge - \$3.00 per birdie x 750 birdies = \$2,250 pledge

100% of the pledges collected will go to the individual charity that solicited the Birdies for Charity® pledge. Administrative and promotional costs for the program will be paid by Rapiscan Systems Classic. (Excluding individual charity organization mailing/solicitation expense)

All special events must be approved by the tournament's Birdies for Charity program manager before the event. It must be clearly noted at the event that the proceeds go towards the charity's Birdies for Charity goal.

"Guess the Birdies" Contest

- To create additional excitement for the program, the Rapiscan Systems Classic sponsors a "Guess the Birdies" contest. Participants are eligible to guess the number of birdies that will be made by PGA TOUR Champions players at the 2020 Rapiscan Systems Classic. A pledge or donation is not necessary to play "Guess the Birdies" Contest.
- The "Guess the Birdies" contest entry form will be included on the official Birdies for Charity pledge form as well as the online form. Participants must submit their guess for the "Guess the Birdies" contest when submitting pledge form or when pledging online.

- Only guesses on pledge forms submitted before **March 27, 2020 at 12:00 PM CST** will be entered into the contest.
- The **2020 Grand Prize** is a two (2) night stay at Beau Rivage, a round of golf for two (2) at Fallen Oak and a \$200 food and beverage credit. The certificate is valid Sunday through Thursday.

The Grand Prize will be awarded to the individual who correctly guesses the exact number of birdies made during the tournament. In the case of a tie, the Grand Prize winner will be determined by a random drawing between participants. If no individual guesses the correct number, the Grand Prize will be awarded to the person who comes closest (without going over) to the total.
